

Curriculum Vitae

Henrik Müller

Director, Finance & Administration
DILAS Diodenlaser GmbH

Since 1998, Henrik Müller is responsible for finance and administration at DILAS Diodenlaser GmbH.

Prior to DILAS, Mr. Müller held key financial management positions at Garny AG. He also served as the information technology consultant at SoftM Software und Beratung AG, a media-sized business software company.

After several years as a banker at Deutsche Bank AG in Mainz, Germany, Mr. Müller studied Business Administration and received his degree in 1993 from the University of Applied Science Rhineland-Palatinate in Mainz, Germany. In addition, Mr. Müller has completed intermediate studies in European Business from Polytechnic in Leeds, United Kingdom. He is a certified management accountant (CCI).
